

1. Tap “settings”, open the Wi-Fi settings screen, and turn on the Wi-Fi option.

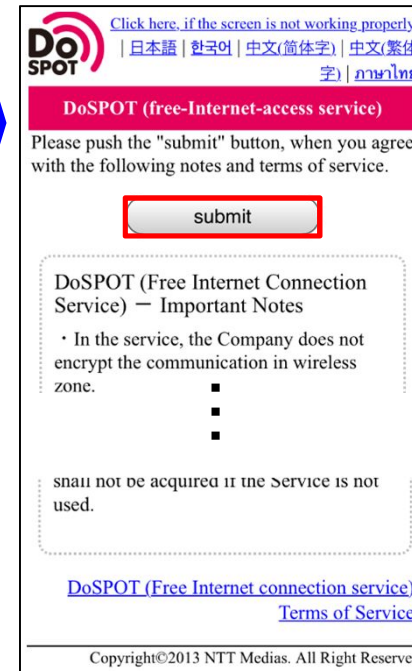

2. From the list of wireless networks shown, select SSID “Hiroshima_Free_Wi-Fi_Lite”.

3. When you open the web browser, the top screen will show. And tap “Apply it now”.

4. After agreeing to the notes and terms of service, tap “Submit”.

5. After entering your e-mail address, tap “Connection”.

6. The Hiroshima Navigator English page will automatically open. (You can move to any other site you want to visit).
